Work Based Learning is a course designed to provide opportunities for students to explore a career that requires additional degrees or certification following high school. The course is tailored to the unique interests of the student and is considered a high school capstone experience.

The course has a traditional classroom component as well as offsite on the job experience. The classroom component can also include seminars, workshops, and guest speakers. In addition, the instructor will be in constant contact with student as well as Work Based Learning site.. The WBL site can be a paid or unpaid experience.

High School Credits:

2 or 3 credits per semester for up to 2 semesters. Credits earned will qualify for the General, Core 40, Core 40 with Academic Honor and/or Core 40 with Technical Honor diplomas.

The required grade level for WBL is twelfth (12) grade.
